

PARK-IT PARKING BUMPERS

For pricing and additional information, please contact us at 1-800-334-0541.

PARK-IT FEATURES:

- Manufactured from 100% recycled rubber.
- Superior construction and durability means **PARK-IT** will not warp, crack, chip or rot.
- It's light weight means easy handling and storage and can be installed by One person.
- Yellow polyurethane glass beaded paint for maximum reflectivity.
- At approximately 1/10 the weight of concrete, **PARK-IT** means lower shipping costs.
- Resistant to UV, moisture, oil and extreme temperature variations.
- It is flexible, allowing for conformity to the contour of virtually any road surface.
- It may be installed permanently with urethane adhesive, or temporarily, with 14" black capped rebar spikes.
- A 4" x 6" x 72" bumper weighs only 34 lbs.

50 bumpers per skid 14" spikes sold separately
